Step 5/8: Client Revisions

- Please remember that the revisions in this step will only address **functionality**.
- There will be **no design changes**, as you have already approved the design in step 2. Any additional design changes will be reviewed and a quote will be sent before completion.
- Please remember to include all links with the internal or external URL or directions on where to direct the link. Especially, if you see that they are missing.
- Please be specific. If you can, screen shots clearly labeled and attached below corresponding with the revision number would help to ensure we complete your revisions timely and accurately.
